

ANABOLIC II

This exciting product consists of ten potent raw glandulars, twenty three free Pharmaceuticals-grade amino acids and ten other nutritional support factors combined with potassium and magnesium aspartate for rapid release into the blood stream to promote muscle density and strength during maximum muscular growth and development. Anabolic II has been time tested for over twenty four years with excellent results. Satisfaction guaranteed when used properly during maximum workouts for growth and repair. For maximum results use in conjunction with Metabolic II.

Ivon Dahl Mr. New York City 1985. Ivon has won first place in five different bodybuilding contest, including Today's Physique Classic. Hear what he has to say about Anabolic II....

"I've competed eleven times in bodybuilding and follow what I call The Formula For Success: extend yourself, go the extra mile only winners travel..... The product I use for that extra mile is Anabolic II. It makes it that much more easier to travel that extra mile and it all comes together much more quickly when I use great products. Thank you Ultra for your amazing products.

Ivon Dahlk

Winner of the 1988 World Classic Masters Body Building Championship in San Antonio, Texas. Sandy had tried several different lines of supplements only to discover that they did not live up to her expectations, until she was introduced to the Ultra line. At that time Sandy was a 41-year young energetic mother of four children. Though her competitive workouts Sandy used Ultra's Anabolic II. which won her first place in the 1988 World Classic Masters Bodybuilding Contest. Championship in San Antonio, Texas. Hear what she says about Anabolic II. "To my amazement, my final weeks of training were unbelievable. Not only did I maintain my strength, but in some areas my strength actually increased even during the last week. I honestly believe Ultra's Anabolic II made a huge difference, the end result was bringing home first place." Dedication, hard work and Ultra's professional line of products can lead you on your way to becoming a champion, too."

Thanks for your support,

Sandy Smith

Ultra's glandulars are from the high mountains of New Zealand to the ranges of Argentina free of hormones, growth stimulants, antibiotics and any other artificial methods. All glandulars are freeze dried, defatted, uncut, 100% pure and BSE FREE.

Ultra's products have been formulated to meet the Dietary Supplement Health and Education Act (DSHEA) and the U.S. Pharmacopoeia where required.
